

SJA Maraia Partners with the Dormie Network™

WHAT'S NEW FOR SJA MARAIA

SIAM GOLF TOURNAMENT 2023

In honor of our mother, **Angela Biondo Maraia**, who died earlier this year, SJA Maraia Charities is proud to announce a new partnership with the “Stay-and-Play” Dormie Network™ — a nationwide collection of renowned private courses, where every exclusive club is your home club. Dormie Network will collaborate with SJA Maraia Golf by donating “One Year Memberships” for auction, with all proceeds to benefit Camp Sunshine of Casco, Maine. This full membership donation has a retail value of \$30,000 and, as an auction item, requires a minimum bid of \$7,500. (Full Dormie membership guidelines and donated item details will soon follow.)

Per their website, “At Dormie Clubs nationwide, guests enjoy a peaceful sanctuary where nothing can go wrong – there’s just golf, camaraderie, world-class facilities and hospitality.” And, in case you were wondering, “...the club’s founder chose the ‘dormie’ name because it refers to the point in a game where you cannot lose.” Indeed, our annual partnership should prove to be a win-win for all, especially our efforts to promote joy and enable hope while supporting our area’s children with life-threatening illnesses and their families that are taking refuge at nearby Sebago Lake.

What’s more, the Dormie Network Foundation™ supports nonprofit organizations nationwide through two initiatives: in-kind donations and direct cash grants, focusing on the four giving pillars of youth golf, environmental initiatives, military / first responder organizations, and healthcare / humanitarian efforts.
